

**General Note:**  
Any and all plans, drawings, presentations and/or sketches are provided by **SPACES DESIGN STUDIO** based upon information and/or drawings and files supplied by its clients, and are drawn in accordance with general knowledge of applicable building codes and practices. No employee of **SPACES DESIGN STUDIO** is a registered engineer, architect or surveyor. All drawings, dimensions and specifications shall be verified by contractor and client prior to construction. If drawings, dimensions and specifications are not verified prior to construction, **SPACES DESIGN STUDIO** and its employees shall be held harmless, and shall assume no liability for any modifications whatsoever made to drawings by client or contractor.
